

PANORAMAS OF ROYAL PROGRESS: Top photograph shows the scene, from high above, as the King and Queen, accompanied by

President and Mrs. Roosevelt and escorted by naval and military units, drove past the capitol at Washington on their way to the

White House. The view below shows part of the great crowd which gathered within sight and sound of the Horseshoe Falls

at Niagara to welcome their majesties and bid them Godspeed on their visit to the president and people of the United States

HAMILTON SAW THE KING as an erect, imposing figure, wearing the knee-length coat and narrow trousers of a British field marshal

THE SIGHTS AND SOUNDS of Washington held a special interest for the Queen, judging from the look of eager interest on her face, as she drove from the station to the White House, where their majesties were guests of President and Mrs. Roosevelt

● When sun-glare, dust and wind make your eyes burn or ache, use a few drops of Murine. After the eye-strain of a long drive in the car, apply Murine. See how it soothes and cools the eyes. Murine removes dust and grit gently yet thoroughly, and soothes delicate eye membranes.

(3 Minutes) Cleanse your pores and skin thoroughly with Cashmere Bouquet Three-Purpose Cream. Massage gently upward and outward from dress-line to hair-line. Then smooth on a little more Three-Purpose Cream and wipe the face gently with a damp, *cold* cloth. (2 Minutes) Now a foundation dusting of new Cashmere Bouquet Face Powder. Then smooth Cashmere Bouquet Rouge, followed with a final pat of powder.

(1 Minute) Complete the picture with Cashmere Bouquet Lipstick. Now look in your mirror. In 6 magic minutes Cashmere Bouquet has brought you new, radiant loveliness.
