**OUCH! MY CORNS!**

**WHAT A RELIEF! CORNS GONE ROOT AND ALL**

**How to get rid of Corns for the rest of your life**

First—apply Blue-Jay. Scientific Blue-Jay pads relieve pain quickly by removing pressure. Special Blue-Jay formula on pad gradually softens corns—gently loosens them so they lift right out. Second—simply by avoiding pressure and friction which causes corns, you can be free from them for life! Follow the example of millions who have ended corns this easy, scientific way. Get Blue-Jay today—25c for 6.

There is a **SURE** way to stop Moths!

A great many women work hard and long to stop moth damage, yet actually waste both time and money by using faulty methods. Don't let this happen to you!

You can keep every rug and chair and woollen garment safe . . . at very little cost and with very little trouble . . . by proper use of Larvex.

For your furniture and garments, use liquid Larvex, sprayed by hand or the power sprayer on your vacuum cleaner. For blankets and washables, use Rinsing Larvex. Just follow the simple directions on each package.

Nothing need be wrapped or stored away when you use Larvex. There's no unpleasant odor to put up with. When Larvex is bought by the gallon it costs less than 28¢ to mothproof a man's 3-piece suit. Use Larvex, and be safe from moths!

THIS YEAR DO YOUR MOTHPROOFING RIGHT
