Welcome Message from the Mayor

With summer season fast approaching, the City of Brantford is delighted to share our full list of 2018 activities and programming options. Whether it is outdoor adventure, kids' summer camps, or a special event, the Summer 2018 Leisure Activities Guide features a wide variety of options to please all ages.

Earl Haig Family Fun Park staff is busy preparing another great summer season of activity. Offering a leisure pool with a waterslide, a lazy river, mini golf, batting cages, a snack shack and more, the Park is the perfect spot for the whole family. With family passes at only \$29 for a family five, it's also affordable! Our summer fun camps continue to please attendees with all the activities the Park has to offer PLUS crafts and weekly field trips. Additional camps are also offered at several other City locations throughout the summer.

June is Recreation and Parks month and to celebrate we're offering free or low cost activities for all ages featured on page 7. Also, look out for information about the Healthy Kids Community Challenge continuing over the summer months with several youth oriented initiatives designed to improve healthy lifestyles. We encourage you to learn more at brantford.ca/healthykids. Plus, you won't want to miss out on all the summer fun at Bell Homestead, including the 23rd annual Barn Sale and Summer Serenade with the Brantford Memorial Concert Band.

2018 also marks a special anniversary for one of the City's favourite gathering spots – Harmony Square. We have a number of exciting plans to celebrate Harmony Square's 10th Anniversary including a 3 day onsite event from June 8-10th. Activities will include a pancake breakfast, live entertainment, exhibits, a photo booth, arts alley, food, vendors, fireworks

and a Cirque du Soleil flash mob you won't want to miss choreographed by Brantford's own Debra Brown!

In addition to special events, you won't want to miss all the FREE family fun activity at Harmony Square including, Movies in the Square, Music in the Square, Brantford Has Talent, Yoga, Bootcamp, Children's programming, the splash pad and more!

Collectively we are fostering a vibrant and liveable city. The Wayne Gretzky Sports Centre, Kiwanis Field, Bisons Alumni North Park Sports Complex, the soon to open Laurier Brantford YMCA and future Southwest Sports Recreation Complex are public facilities that shine a light on the character of the City and tell people they've made the right choice to live, work and play here. Equally important, these amenities and public spaces tell people that we put a premium on quality of life as a City.

We are proud to share how much Brantford to offer and we strongly encourage you to take advantage of the host of great options in this Guide. We look forward to seeing you at one of the City's events or facilities in the near future. Wishing you and your family a safe and happy summer!

Warm Regards,

Chris Friel

Can We Help?

Financial Assistance Program

Brantford Parks & Recreation would like to ensure that all children and youth of our municipality have the opportunity to access recreation and leisure services. To help make this possible, financial assistance to qualified applicants, for most registered and drop-in programs, may be offered if funding and the programs are available.

How do I apply? Please call 519-756-1500 for Community Centres/Bell Homestead programs or 519-756-9900 for Wayne Gretzky Centre programs/swim lessons, prior to registration.

Support Workers

If your child requires a support worker at school, please call us to discuss if the same support is required when attending a Parks & Recreation program.

Returned Cheques

Sometimes mistakes happen. To cover costs, a \$40 administrative fee must be charged for all cheques returned by a bank. We will require that the original cheque be replaced with a cash or debit payment.

PRIVATE SWIMMING LESSON INFORMATION

One-on-one swimming lessons are available throughout the week for swimmers ages 3 and older that require more attention to improve on their swimming skills, and are ideal for those that may move, learn, or communicate differently. Lessons will be taught to our curriculum program or can be completely customizable.

SEMI-PRIVATE SWIMMING LESSON INFORMATION

To set-up semi-private lessons (two swimmers to one instructor) you must do the following:

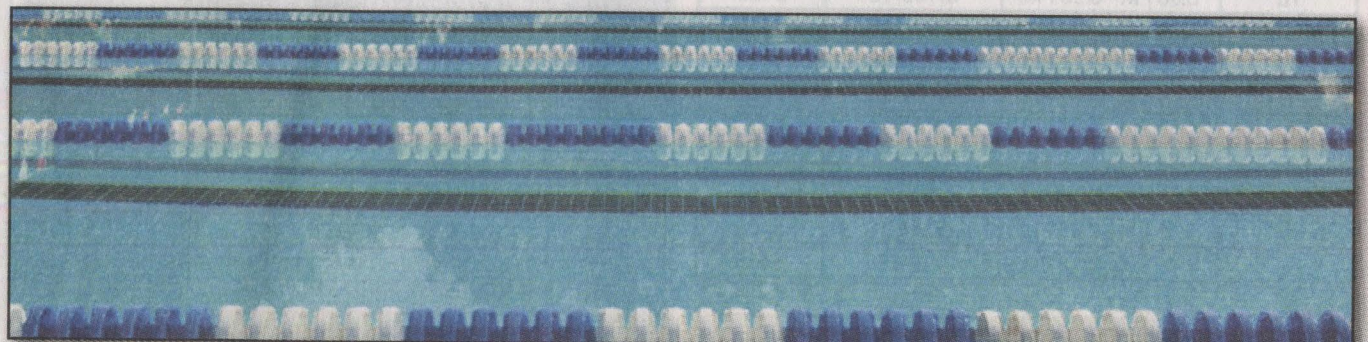

1. Register the first swimmer into a regular Private Lesson (at the regular private lesson rate)
2. Call (519) 756-9900 to register the second swimmer (at an additional, reduced rate)

Note: For safety precautions, the two swimmers being registered in the semi-private lessons must be no greater than 2 levels apart (e.g. Swim Kids 1 and Swim Kids 3) or otherwise approved by the Aquatic Supervisor based on individual circumstances. Unfortunately, we will not be able to permit a child (ages 3 to 6) to be in a semi-private lesson combined with a child that is capable of swimming 25+ metres of the pool due to safety and supervision requirements.

Price Structure: Private and semi-private lessons follow the same dates as group lessons, and cannot be customized outside of these dates.

LESSON TYPE (INSTRUCTOR : SWIMMERS)	TIME	RATE (8 CLASSES)	RATE (9 CLASSES)	RATE (10 CLASSES)

LINCOLN SQUARE TURNS 100!

Lincoln Square is a passive park located in the heart of the Lansdowne area of Brantford. The area surrounding Lincoln Square is part of one of Canada's earliest industrial housing developments. The park and housing surrounding the park were part of a plot purchased by Dominion Steel Products Co. Ltd. to provide housing for plant workers within walking distance of the steel factory at 85 Morrell St. The park is cherished by all surrounding it and we looking forward to celebrating its 100th birthday this summer.
