BRANTFORD
FALCONS

S O C C E R
Year Book 1974

Ontario Intercity
Soccer League

Fred Neumann, President

It is a pleasure for me on behalf of the Brantford Falcons S.C. to extend greetings to all our fans for the 1974 soccer season.

The 1974 season will be our seventh year in the Inter City League, and again we will do our best to provide top notch soccer for all fans in Brantford and District.

I would like at this time to say thank you to all the soccer fans, who have so magnificently supported our club in the past. Furthermore, the executive and myself are very grateful to our parent club, the Falcon's Soccer Club of Brantford Inc. and all the advertisers in our 1974 year book for the support they have given us.

With the best wishes for an exciting and enjoyable soccer season I remain

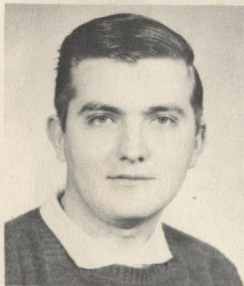

Sincerely Yours

FRED NEUMANN

President of the
Brantford Falcons S.C.

COMMITTEE

FRED DUDSZUS — Secretary

Fred has been with our Club since it was founded in 1959 as a Player, President and Secretary.

RON PEIRCE — Treasurer

Ron is a newcomer to the game of soccer, but his experience as a committee member of the Arrowdale Golf Club will be an asset to the Falcons.

KARL KURTZ — Adviser to Comm.

Mr. Karl Kurtz has been appointed as an Adviser to the Committee and the Coach. His past experience in soccer is of great value to the executive and the team.

GUY POLLILO — Trainer

Guy is well known to soccer fans in and around Brantford. He has been active as Player, Coach and Executive in several Clubs over the years.

SHORT HISTORY OF THE BRANTFORD FALCONS

In the spring of 1959, under the auspices of the German Canadian Club, a meeting of soccer fans was held and out of this meeting a Soccer Club was born who today is the most successful one in the City of Brantford.

The same season exhibition games were played only, but in 1960 the team finished second in the Norfolk & District Soccer Assn., a season many of the soccer fans will always remember.

In 1961 the team was promoted to the Southern Ontario League Second Division finishing in third place. This was followed by a fifth place in 1962 and second again in 1963.

From 1964 to the end of 1966 the team played with great success in the Southern Ontario First Division, winning the League Cup once and the City Championship two times.

In 1967 the team was granted permission to join the Inter City Soccer League, which is considered the superior Amateur League in Ontario and one of the best in the country. The same year the team finished seventh in the league, followed by a fourth place finish in 1968.

1968 also was the start for S.C. Germania II., which in its first year of competition won the Norfolk & District League Championship, the League Cup, and the 1st of July Trophy.

In 1969 the team won the Kurier Cup in Kitchener, and finished 5th in the 12 team Inter City League. 1970-71-72 and 73 were years of liberal success for the Falcons finishing in 6th - 7th - 8th and 9th place of the standings.

In 1973 some players joined the team which we felt would strengthen us in the coming season.

This year a total of 12 players were signed by the secretary. Also Mr. Addi Bauer was appointed Head Coach, replacing Harry Jedig who coached the team for the last 7 years.

We are looking forward to a successful season in 1974.

ADDI BAUER
Head Coach

ADDI BAUER

Head Coach

Addi Bauer immigrated to Canada from Germany in 1968 at the request of the Falcons.

He left Brantford to play for London City in 1970 and was active there until his return to Brantford in 1972. Played for Brantford Blues in 1972 and coached in 1973.

Addi is 31 years old and employed at Fleet-Line Products as a Foreman.

Last summer he returned to Germany to attend a four-week coaching school. He graduated from the school with a "B" licence, which qualifies him to coach in the highest Amateur League in Germany.

Addi Bauer was appointed by the committee in November 1973 as the Head Coach and has been holding practice all winter with great success.

We feel that Addi Bauer, being a firm and strict coach and having the technical and practical knowledge of the game, has built the Falcons to a serious contender in the league this year.
