

students of the beauty culture classes.

#### WE GO TO COLLEGE

Mr. Demeza stated that six of the graduating class have qualified to pursue higher education at Gallaudet College, Washington, D.C. This is the world's only college for deaf students. It offers to graduates of Schools for the Deaf around the world an opportunity to advance to degrees in the liberal arts and sciences.

Others of the graduating class have already secured employment in their special fields.

The Superintendent's Award, recognition for outstanding achievement in all phases during the student's complete school life, was presented by Mr. Demeza to Miss Gail Williamson of Timmins, Ontario, and to Mr. Richard Csabi of Fort Erie, Ontario.

As the students received their awards each replied with a brief speech which was reproduced on a large screen at the side of the platform so everyone could read it.

Miss Gail Williamson presented the valedictory address and charmingly thanked the staff for making everyone's sojourn at the school so pleasant.

The Superintendent spoke briefly to the graduating class and wished them every happiness and success in their future lives.
