

# Black Diamond

*Intelligence, Nov. 31, 1996*

## **SAY CHEESE!**

**PHOTO ABOVE:** From left, Lynn Phillips, Velda McDonald and Patsy Countryman place cheese into individual wrappings.

**LEFT:** Velda McDonald works on the processed cheese line at Black Diamond.

The Black Diamond facilities are among the most computerized in the industry. Due to recent restructuring, the plant was awarded production for Schneider's cheese products.
