

Donini's Chocolates

Intelligence, Nov. 30, 1994

But don't take her word for it. Why not visit the store and see what good chocolate really tastes like. And discover why Donini's is a chocolate lover's paradise.

Did you know?

* Chocolate contains theobromin, reputed to give a happy effect. It could be why people eat it when they're down in the dumps. That same ingredient is also thought to be

an aphrodisiac.

* Chocolate is rich in energy.

* Chocolate is reputed to cause less tooth decay than other foods.

* Chocolate tastes good!

Donini's Chocolate is open Monday-Friday, 9-6 p.m.; Saturdays 9-5 p.m. Please call: 967-4463.

Donini's Chocolate employee Margaret Robson puts the finishing coat of chocolate on a truffle. Most of the work is done by hand to ensure a product created in the European tradition.

Paula Westwell, manager of Donini's Chocolates, displays some of the fine product available at the store, located in the Woodland West Plaza, 690 Sidney St. The business is really a family affair!
