

Chris Moran interprets one of the aerial photos.

Ting Wong at work on the Zoom Transfer Scope which projects a photo of any size to the scale of the base map

Vice President Tim Moran recently retired from government service stands beside the company crest which is a ram's head of the Dall Sheep (*Ovis Dalli*), once numerous in Alberta Northern British Columbia, and the Yukon, but now considered an endangered species and thus significant of the main purpose of the company which is the preservation of the environment.

Left to right:- Ting Wong Don Morse, Barbara Legun, Tim Moran Sandra Burke Chris Moran, Gary Moran.

Absent when photo was taken:- Dr. J.A. McLeod, Marlene McEwen, and Brian Ogden.
