In presenting to our patrons our Fifth Directory of the City of Belleville we hope it meets with their approval. A thorough canvas of the city has been made, and every effort used to obtain the name of every person who should be represented in a City Directory.

We have aimed to make our work a fit representative of the public spirit and important of the city of Belleville and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the city.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work we remain,
