

Dave Conway, vice-president of operations for Inova Optics Inc., left, watches some of the intricate lense-

cutting work completed by employee Tom Evans. The manufacturing plant, which moved here from Ot-

tawa in the fall of 1987, produces almost 400 pairs of lenses daily and sales of its products totalled about \$5-

million last year in its 16 optical stores. The plant has 10 employees. (Photo - Henry Bury)
