## Business grows

Maggie's Country Korner just got a little bigger, Tuesday morning. The restaurant and catering business, which operates at Westgate Plaza at 487 Dundas St. W., recently expanded to include an on-site bakery. Offering a wide variety of baked goods, pastries and cakes, the bakery is also the newest member of the Buy Locally Owned Group. On hand to cut the ribbon during the official grand opening were two members of the BLOC, Mayor Neil Ellis and BLOC president Tom Lafferty. Pictured at the festivities are (from left) Lafferty, owner Maggie Thrasher, employees Shelley Stone, Helen Revoy, Heather McKenzie and mayor Ellis.
