

Multi-million dollar expansion

One of Mobil Chemical Canada's two plants in the northeast industrial park will soon be expanded by 13,000 square feet of storage and production space. The \$8 million expansion of Mobil's films division will begin next week, following the official sod-turning Wednesday. Giving the spade a helping hand are, from left,

Mayor George Zegouras, plant general manager David Valcamp and Ald. Kerry Soden. Zegouras presented Valcamp with the Mayor's Award for outstanding contributions to the community. See story Page 13.
