**THIS PLANT HAS
WORKED**

**3000000 MAN
HOURS**

**WITHOUT A LOST
TIME ACCIDENT**

Over the top *Intell May 11/77*

Dale Reid is a bearer of glad tidings as he puts the final digit in place Wednesday to announce three million accident-free manhours worked by employees of Northern Telecom's Belleville plant. The

plant's 950 employees have worked without serious mishap since September, 1976, to accumulate one of the best safety records in Canada.
