

BELLEVILLE INDUSTRIES - Stewart - Warner

Long time service

Four of these men alone have a total of 170 years experience at Belleville's long established Stewart-Warner plant. They were among the many receiving long service awards at a special banquet and social evening arranged by the social club at the Alhambra Lodge Friday night.

Left to right: A.C. (Bud) Madge, chief operating executive, who made the presentations, George Hammett, William (Bill) Clapp and Stanley Reid, all with 40 years service, and Fred Ethier, general manager, with 50 years service. (Photo - Jack Evans)
