

FLOWERS & PLANTS

Barber's Greenhouse
(and others)

Joan Stanton is preparing for the spring rush for plants as the warm weather approaches. Working at Bar-

ber's Greenhouse south of Belleville, Mrs. Stanton pots wandering jew in a mixture of earth, peat moss, and vermiculite.

The busiest time of the year for local plant producers is quickly approaching. Ron Warkentin of Warkentin's Flowers, west of Belle-

ville, water mums which he says is a popular seller. Besides Easter, Mother is his second busiest period he said.
