This picture of Queenie Cooke's family was taken in 1903, before she and her older sister Mary were born. (Cooke is featured in a page 3 story.) Back, from left: Vera and Grace (who died in the early 1900s). Middle: Jenny (McCreary) Cooke, Faith (who died before Queenie was born), Louis Cooke, Lester (who died of a heart attack when he was 20 years old) and Archie. Front: Hope and John. With sisters named Faith and Hope, Queenie says she thought she would have been named Charity.

This is Queenie Cooke, featured in an article on page 3 of this edition, when she was two years, one month and two days old. The picture was taken Jan. 4, 1908.
