

Cronk, Dr. George Sampson

The Belleville and District Queen's Alumni Association last night honored Dr. G. S. Cronk on the occasion of his 50th anniversary since graduating from Queen's. He was given a replica of the plaque which will be placed in a room being furnished by the Belleville and District Association in the new men's residence at Queen's. Henry Bateman, right, presents the duplicate plaque to Dr. Cronk while Mrs. Lillian Cronk looks on.
