- **Additional information about the children:** In 1898, Howard married Jessie May Walton of Ottawa, Ontario CANADA; they had a son born in July 1901, and the family left Ottawa in 1902 or 1903 (destination unknown). It is reported that one of the four daughters married a taxi driver whose surname is believed to be Bolasco. Another daughter (Bessie [née Greene] DeVoe) escaped the famous 1903 Iroquois Theater Fire in Chicago, Illinois USA, where at least 600 people lost their lives.

Comments: It seems ironic that I have been able to unearth information about other family members, but not about Mr. Greene's widow and daughters after they left Belleville, Ontario CANADA around 1896. ~~██████████~~-->According to the 1900 U.S. census, they lived on West 114th Street in Manhattan, New York USA. <--~~██████████~~ I have questions about Caroline Greene and her daughters. Did she remarry? Were all the daughters later married, and if so, what were their married names? Did they have children, grandchildren, and great-grandchildren? Where did they live? When and where did they die? Where were they buried?

I desperately need to find the missing  pieces  to this puzzle.
