

is also a leader with the 1st Sidney Sparks.

"I'm very proud of her. She goes for something and gets it — something like I did. And we owe much of that to Guiding."

Volunteering is also a big part of Guiding, she noted.

That's why Green is involved with such organizations as Habitat for Humanity, Cancer Society, Multiple Sclerosis and Juvenile Diabetes chapters.

"Whoever needs us, we're there. And that's because part of Guiding is helping those in need."
