

Stewart, Steve

Welcome home

Belleville powerlifter Steve Stewart got a surprise welcome home yesterday from family members after arriving back in town from the 1996 Paralympic Games in Atlanta. Stewart was greeted by his dad, mom and girlfriend — and a huge banner outside his house. Laszlo Decsi of Tweed also accompanied Stewart. Decsi finished fifth in a wheelchair category of pistol shooting while Stewart placed 10th in his weight class in amputee bench press with a personal best hoist of 364 pounds. A third area Paralympian, David Howe of Trenton, was fourth in the cerebral palsy 5,000-metre final. Pictured left to right are: Decsi, Dave Stewart, Leone Stewart, Steve Stewart and Kelly Turcotte.
