No, they aren't a musical group, but if they were they'd probably be good at that too. Belleville's waterskiing Townsend family (from the left) — Sarah, Harold and Jimmy Townsend — just keep on winning every time they hit the water. Recently, the trio won gold medals all-around at the Ontario Championships in Orangeville. Harold won the

men's IV division title, 14-year-old Sarah was tops among girls and 12-year-old Jim won the junior boys honors. Next weekend the trio travels to Orangeville for the Eastern Canadian Regionals and two weeks after that it's off to Edmonton for the national finals.
