Townsend rule the water

Belleville clan wins more gold at provincials

The trophy case at the Townsend house in Belleville keeps getting bigger and bigger.

Harold, plus his son Jim and daughter Sara, had yet another impressive performance at the Ontario Water Ski championships near Hamilton on the weekend.

Jim and Harold both won overall championships while Sara placed first in the slalom (the only discipline she competed in).

Fourteen-year old Jim, moving up to the Boys III division, dominated the event by placing first in both tricks and jump. He was second in slalom. The two firsts and a second easily gave him the overall title.

Harold, for the third year in a row, won the Master IV division. He was first in jump, second in slalom plus third in tricks to win the overall championship.

Sara, 16, competed in the Girls III division and won the slalom.

All three will compete in the Eastern Canadians this weekend in Sherbrooke, Quebec then it's off to the national championships in Abbotsford, British Columbia August 23-25.

Jim, Harold and Sara Townsend were all gold medal winners at the Ontario Water Ski championships near Hamilton on the weekend.
