

PRINCE EDWARD COUNTY -- BIOGRAPHY

D

Dr. Ethel Dempsey graduated from medical school 50 years ago and still has her diploma from the University of Toronto. For the past 35 years she's lived in Rednersville where people still come

to her seeking medical attention. The Rednersville United Church Women are holding an open house Sunday to honor Dr. Dempsey's half century of medical service. Friends, associates or anyone

who would like to pay tribute to her are invited to the Rednersville Church Hall from 2 p.m. until 4 p.m.
