## TIME CAPSULE

On June 6, the anniversary of D-Day 1944, the Juno Beach Centre memorial museum will open in Normandy — a dream toward which Don Jamieson, vice-president of the Juno Beach Centre Association, has worked tirelessly for years. Here, we see Jamieson (Gunner Donald), winner of the French Croix de Guerre, 14th Field Regiment, RCA, 1940-1945 on leave in Brussels in February, 1945. Jamieson was among the first wave to hit the beach on D-Day.
