

MacKinnon

Intel Nov 23/84

Gift for Peterborough *Bel - Burg - M*

City resident Don MacKinnon has a special luncheon date this week with the mayor of Peterborough. MacKinnon will present Mayor Robert Barker with a large, solid brass key to Peterborough that was

first presented to MacKinnon's father - John S. MacKinnon - in 1921 when he visited the city as president of the Canadian Manufacturers Association. MacKinnon, a retired probation officer and member of the

Belleville Rotary Club, said returning the key to Peterborough - where it was also made - is an appropriate gift.
