Chamber of Commerce, has been elected president of the Ontario Chamber of Commerce Executives' committee.

Broadbridge was elected at the annual meeting of the committee in Sault Ste. Marie.

Comprised of about 75 members representing 50 chambers from across the province, Broadbridge says the executives committee will hold its 1986 annual meeting in Belleville.

"In the next year, we're going to be looking into the possibility of accrediting chambers of commerce in a similar manner in which hospitals are accredited," said Broadbridge. "We'll also be looking for general cohesion between three levels of the chamber - local, provincial and national."

Broadbridge wields his gavel for the first time at the committee's next meeting slated for February in Brampton.

He is in his fourth year as manager of the Belleville chamber.

He was elected to his new Ontario post last week.
