

Meagher, Rick

*Intellectual, Rememberable  
Letter*

*July 24, 1995*

Vi Watkins of Foxboro contributes this photograph of Belleville's Rick Meagher when he was captain of Belleville's All Star team in 1961 or '62. Below, also from Watkins, is a picture of the team. Except for coach Lionel Botley, far right back row, and Rick Meagher, front and centre, names are not known. If a reader knows the names of the players, Remember When... will publish the photograph again.
