Former CSS principal *Ret Feb 14/95 p.10*

## Superintendent Moffat announces retirement

*Bob - Brown (collector)*  
The Hastings County Board of Education is losing a superintendent.

Wally Moffat informed trustees Monday night he's retiring at the end of August.

Chairman Ernie Parsons accepted Moffat's retirement "with regret".

There was no indication whether a successor will be sought for the superintendent's position.

Trustees are only now beginning their budget deliberations for 1995.

Moffat is a former Centennial Secondary School principal before he was named superintendent several years ago.

The Hastings board has three other superintendents — Marg Werkhoven, Phil Ainsworth and Randy Brown.
