**Local Skier Teaches
At Mont Tremblant**

Bel - Brog - N
A local boy is headed for big things on the ski slopes. Larry Nicholls, 20, of 14 Porter Ave., Belleville, a graduate of Moira Secondary School and Algonquin College in Ottawa, has accepted an offer to instruct at the internationally-known Mont Tremblant ski resort in Quebec.

Larry recently passed the assistant instructor's course at Huntsville's Hidden Valley resort, and his mother, Mrs. C. F. Nicholls, said he phoned home Saturday to say he had been offered a position at Tremblant and had accepted.

Larry is currently working at a sports shop in Hamilton, and will probably be on his way to Tremblant within the next week.
