PICTON (Staff) — Morley Norton, 55, a lighthouse keeper at False Ducks Island, was pronounced dead on arrival at Prince Edward County Memorial Hospital yesterday after a helicopter mercy flight brought him to the mainland.

Coroner Dr. C. R. Richmond pronounced Mr. Norton dead when he was taken to the hospital from the Canadian Coast Guard helicopter that landed in the adjacent Proctor-Lewyt plant parking lot.

A co-worker on the island radioed for help when Mr. Norton apparently suffered a heart seizure. The SOS was relayed to the Coast Guard through CFB Trenton's Search and Rescue Unit.

Mr. Norton is survived by his wife, the former Marjorie Harvey, by a daughter, Mrs. Ian (Donna) MacLean, Germany and by three sons, Harvey of Zephyr, Ontario, and Robert and Chris, Picton.

Funeral services will be conducted Wednesday from the Hicks Funeral Home, Picton with Rev. R. F. Sherwin officiating. Interment will be in Cherry Valley Cemetery.
