

Parkhurst, Al.

Saluting Al's long-time service work

The Lion's Club of Belleville honored Al Parkhurst, at a banquet Saturday night, for his 25 years of involvement with the club. Parkhurst (left) served in

various co-ordinating positions, including president and vice-president. Current president Lyle Thompson presented Parkhurst with awards and mementoes, in-

cluding a carved wooden lion, as Parkhurst's wife, Audrey looked on.
