'Million Dollar Holiday' Prize for Belleville Family

Intell June 5/64
It's a million dollar holiday for a North Park Street Belleville family.

Yesterday Mrs. Gordon Parkhurst, secretary in the principal's office at Belleville Collegiate was presented with Evinrude's "Million Dollar Holiday" prize consisting of a deluxe 16-foot cruiser, 90-horse power Evinrude selectomatic outboard motor, plus a two weeks paid summer resort holiday.

Total value of the Peterborough outboard motor company's prize is about \$5,000.

Mrs. Parkhurst was the winner over about 60,000 other entrants in the all-Canada free entry contest. The presentation was made by Peter McArthur, Evinrude vice-president.

In addition to the \$3,500 cruiser and outboard combination, Mr. and Mrs. Parkhurst and their 10-year-old son Charles, will enjoy an all-expenses paid two weeks vacation at Viamede Hotel on Stoney Lake.

Included will be the services of a fishing guide, water skiing instruction and all the gas and oil their new 90 horsepower Evinrude can burn during the holiday period.

"We are happy that a 'local' person won the prize," stated an Evinrude official when the major prize was presented last night at Bay Marina in Belleville.

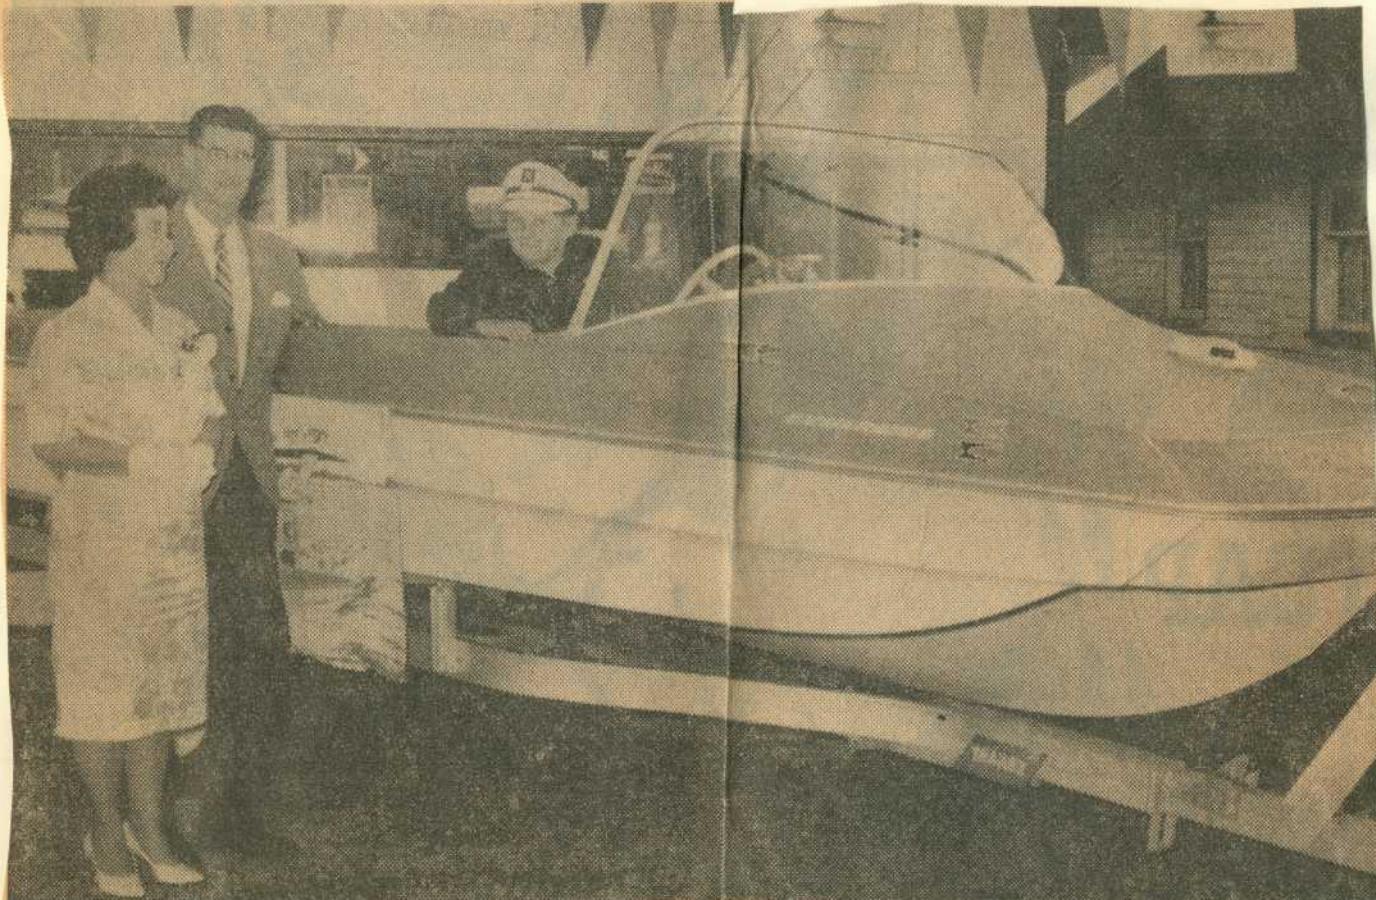

"Belleville is almost in Peterborough's back yard, and the cruiser was built in Trenton."

Last year Evinrude's major prize went to an Estevan, Sask., family, who lived at least 50 miles from the nearest water.

Prior to last night's presentation, Mr. and Mrs. Parkhurst were dinner guests of the contest sponsor at a local motel.

Mr. and Mrs. Parkhurst already have a boat and outboard motor at their summer cottage on Crooked Lake in North Hastings, but they nevertheless feel they can put their new prize to good use.
