COMPOSED BY PIP COTTER  
 FOR CLOSING NIGHT 1970 NOV 3rd.

Aldershot Bowling Club isn't no more  
 We've cleared out the furniture, and closed up the door  
 But there's many a memory that will still linger there  
 Of old and new members that I know really care  
 I would like so much now, to make you all wise  
 How I appreciated you friendship, as I now eulogize.  
 I again like to tell you, club members so true  
 How happy you made me while bowling with you.  
 So I'm writing this crude doggerel to one and to all  
 And hope we meet again in the Spring or the Fall.  
 I see Blustery Bill Fellowes, his barks worse than his bite  
 And our debonair and dashing Harry, the young girls delight.  
 Mr. Bill Corp with his games on his mind  
 Had quite a bad time, when the right greens we'd not find.  
 Now there's Hughie and Harold, and handsome young Roy  
 The one who is Dorothy's real pride and joy.  
 Dave Burrows and Stella, Glad Overholt and Gert,  
 Isabelle Doris, Phyllis, Pearlle and Bert,  
 Ralphie and Eva, Flossy and Russ  
 Our Reggie the President, who makes not a fuss.  
 Of course there's the Livingstons, Marian and Wray  
 I'd bowl with those two any old day.  
 Jackie and Beryl with their new baby so dear  
 I'm sure will be mascot at the new green next year.  
 Margaret and Marjory, Cora Rhea and Old Flash (Sam)  
 He takes all our pictures without the lens going smash  
 My talents are limited, I think I'll just end  
 Say so long to you all, from Pippy your friend.
