CORONATION BALL AT GLENVIEW PLEASING AFFAIR

9th, June 1951.

Guests at the Aldershot Community Council's Coronation Ball arrived at Glenview School to find an unbelievable transformation. Nearly 300 man hours had been put in by the committee to transform the auditorium into a setting worthy of the occasion, and a cabaret had been set up outside in an area enclosed by flags, hung with red white and blue lights, streamers and Japanese lanterns. Arriving lady guests were presented with orchid corsages, and were later delighted with the large number of coronation cups and saucers which were given as prizes.

Members of the Sovereign Chapter I.O.D.E. catered and many congratulations were received by William Saunders and his committee of John Horsley, master of ceremonies, Carl Wice and Jack Henderson for the outstanding success of the ball.
