

PTE. LAYVERNE GAMBLL

NOW REPORTED

— MISSING

Mrs. Laverne Gamble, of 12 Queen St., has been officially advised that her husband is now reported missing after action.

No details of the engagement were given and the news came as a great shock to his wife, who had only recently been advised that he was wounded in action.

The first message she received earlier in the month said that her husband was wounded, but that he was remaining on duty with his unit.
