REFORMERS AND CONSERVATIVES UNITE

SPEECHES AT THE DEMONSTRATION.

WEDNESDAY, the 5th inst, was an eventa day in the political history of Canada. On that day, the members elect for the Newcastle District, and a large number of their friends met at the Victoria Hall, Cobourg, for th they had good cause for rejoicing. For during the last Parliament, three out of the six constineics comprising the old Newcastle District were represented by Ministerialists, one of them member of the Cabinet. In the next House they will all be represented by staunch Oppo-

The limited space at our disposal compels us to condense the able report given by the Globe. We quote from our contemporaly !-

The wealth, intelligence, and enlightened public spirit of the Newcastle District was well conservatives could be guilty of such practices.

(Hear, hear.) He was glad to see so many agitated to the heart's core, Representation by who sat down to dinner on Wednesday evening in the Victoria Hall. The company comprised not only Reformers but a large number

(Hear, hear, of well-known and influential Conservatives, who now make common cause with the Reform Opposition, from the conviction that the present Government, by their shameful betrayal of the rights and interests of this section of farmers. They are the bone and sinew of the Press there has declared in favor of our views the Province, and their profligate administra- country. [Cheers.] And without the farmers since the result of the elections has been tion of the public finances, have shown them he would like to know where the people of the known, and that we shall have members from selves unworthy of the confidence of any sectowns and villages would be. [Cheers.] They Lower Canada acting with us on this question,
