square of glass in one of the upper windows on scorched. It is not known exactly how th one of those very high houses in Berner's St. melancholy occurrence took place, but it While doing so he fell on the railing spikes below, which passed through the hapless man's thigh and abdomen, impaling him in a shocking manner. He was with difficulty extricated by some passengers, and conveyed to Middlesex Hospital, where he shortly after died in great agony.

Princess Alice with Prince Louis of Hesse has, was sleeping in it is also scorched though no of course, been postponed under the heavy bereavement which has befallen the Queen and the Royal Family. It is a consolation to hear that the very great affliction just suffered has developed virtues in this most estimable Princess of which the people of this country were but little aware. We have good reason to know that the Queen was mainly supported in her great trial by a filial devotion and an utter aggravated by previous convictions, in so far negation of self on the part of the Princess Alice which it is impossible to appreciate too much or to praise too highly; and we hope, when the time comes for the accomplishment of her own harvings the December 1981. of her own happiness, the Princess will find in Cumberland, a pocket-book, containing how much she has endeared herself to the people of this country by her dutiful and most ex- £2520. The evidence went to show that, or emplary conduct. We believe it is in contemplation to fix the period of the nuptials of Her Royal Highness with Prince Louis at the close of June or July—but this is at present only a

JAND.—The following is a statement, compiled bought 1042 sheep. While on his way thither by the clergy and parochial authorities, after Bowstead met the female prisoner, who de a house-to-house visitation, of the bereaved families left destitute by the awful calamity at pocket-book from a breast-pocket. The exact number of men and lads killed in the mine is 219. Of the male population em him to accompany them to Edinburgh, where, played at this colliery, only 25 remain alive. under the pretence of being the Mr. Cox in The families of the lost men reside in Colliery whose name the money was lodged in the Row, Quarry Row, and Old Hartley, and all bank of Scotland he went to the office of the day yesterday benevolent persons, including the Bishop of Durham, with his chaplain, and a number of ministers of religion and ladies, went to and fro among the cottages, adminis-tering such comfort and consolation as each case required. The immediate wants of the poor people have also been attended to, members of the Society of Friends being active in

had returned upon us the task of preserving the peace of their country. Instead of taxing them, we taxed ourselves for putting down their riots and rebellions. The riots in Australia and New Zealand, and the internal warfare of the Cape, had been entirely put down by troops raised in England, paid by us, and maintained by us in the colonies. He hoped England would tell the colonies that they should not have troops in time of peace. If there is war, let her say that she is prepared to concentrate her forces, and assist in the deence of her colonial empire, but that, in time of peace, every part of that empire should be prepared to maintain its own security. The istant the security of Canada is threatened, let England go to her assistance, and the moment England is threatened let the Canadian Militia come and help us, for there was nothing are const calling upon us to help Canada in the time of about it. need which did not call upon her to aid us under like circumstances. If this principle were recognised and carried out by England, we should become not only the greatest, but the most envied, nation in the world.

EMANCIPATION OF THE COLONIES.

A correspondent of the London Daily News (Mr. (Ioldwin Smith) devotes a long article to to be as brisk as in the most palmy days of what he calls the "Emancipation of our Colonies," and selecting Canada as an illustration of his reasoning, the writer contends that the the Clifton Bank of Canada, which for years only way to make Canada independent is "to have not been valued at more than five cents fence her round with the majesty of a great per pound, are getting to be quite plenty in prevalence of commercial monopoly made it at the police head-quarters of the passing of well worth our while to hold colonies in depen- them upon uninformed dealers. A large quandence for the sake of commanding their trade. tity have lately been sent to the South-western But that time is gone. Trade is everywhere border of this State where, unless warned in free, or becomming free; and this expansive and perilous connexion has entirely survived of the country—will be deceived.—Chicago its whole legitimate cause. It is time that we Paper. should recognize the change that has come over the world. We have in fact, long felt that the colonies did nothing for us. We now are very naturally beginning to grumble at being put to the expense of doing anything for Lord's Day manifested in all ranks of the army. being put to the expense of doing anything for them. If they are to do nothing for us, and we them. If they are to do nothing for us, and we them. If they are to do nothing for us, and we them where is the use of the daily papers, are to do nothing for us, and we them where is the use of the daily papers, are to do nothing for us, and we them where is the use of the daily papers, are to do nothing for us, and we then where is the use of the daily papers, are to do nothing for us, and we then where is the use of the daily papers, are to do nothing for us, and we then where is the use of the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and we then the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, and the daily papers, are to do nothing for us, are to do nothing f are doing nothing for them, where is the use of continuing the connexion? We vaguely dream of making institutions for the colonies after the model of our own. The history of our the model of our own. T

Orders have been received at the Royal Laboratory at Woolwich for the manufacture of 2,000,000 Minnie bullets per week, to be continued until further notice.

After a funeral a testator's will was read out the hands of the tropics are of being transplanted to a land of small estates and social equality as the trees of the tropics are of being transplanted to The Ætna, which had sailed from Liverpour The Æ

The pacific news from America will produce, or long, disastrous consequences on Change, several enterprising speculators having made up their minds for war, and consequently gone in for a "fall," One well-known member of the Stock Exchange is said to have been "bit" to the tune of £80,000 in quently gone in for a "fall." One well-known member of the Stock Exchange is said to have been "bit" to the time of £50,000 in a single transaction.—Court Journal.

At the village of Anderton, in Cheshire, a sad and solemn occurrence has occurred. A young man mamed Ashbrooke, while following the remains of his father to the grave, fell down on the way to the churchyard, and almost instantly, expired. What adds to the paintly occurrence was a threat the young man made a day or two previous, he having expressed a wish that "if he attended his father's funeral, he might drop down dead."

On Saturday afternoon Mr. Brent held an inquest on Uriah Daming, aged 35, a German glazier. Deceased was employed to put in a square of glass in one of the upper windows on single transaction.—Constitute and three is no damage to the carbon their temper, as Cornelius listed in about six time to the grave as head of a pick and threw it with violence at Bowie's hoad, litting him about the left ear, from the effects of which he died in about six teem hours afterwards. Cornelius has been taken into custody.—North British Mail.

GLASSOW—A WOMAN BURNED TO DEATH.

—On Saturday night, a widow, named Margaret Donald or Lisle, was discovered burned at day or two previous, he having expressed a wish that "if he attended his father's funeral, he might drop down dead."

On Saturday afternoon Mr. Brent held an inquest on Uriah Daming, aged 35, a German glazier. Deceased was employed to put in a square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on square of glass in one of the upper windows on saturday night, a widow, named Margaret Donald or Lisle, was discovered burned with the mails, cargo and the carbon in port, commenced co which she was quite unable to move. Th MARRIAGE OF THE PRINCESS ALICE. The conjecture is strengthened by the fact that par Court Journal says-"The marriage of the of the bed is burned, and a little child wh dangerously.

THE FALKIRK TRYST ROBBERY OF £2520.

At the High Court of Justiciary in Edinburgh on Monday, James Jones and Helen Clifford were charged with the crime of theft. bank-notes, drafts, &c., to the amount o of a mile, for the purpose of paying £150 THE COLLIERY ACCIDENT IN NORTHUMBER. or £1600 to a salesman from whom he ha coved him into a cose, and abstracted mediately handed it to the male prisoner, wh was lurking behind, and the two made off wil their booty. On the following day the pri oner Clifford deposited £130 in the Bank Scotland, in Edinburgh, under the name Thomas Cox, by Ant Cox. On the 17th October, Clifford and Jones met a George M'Hugh, hawker, in Manchester, and induced Bank, to draw the £130 deposited. M'Hugh was taken into custedy. Clifford, who was waiting at the door of the Lank when she noticed what was transpiring, took the alarm, and she and Jones decamped to Southampton, where they were apprehended. They pleaded not guilty, and after a very lengthened trial, which occupied nearly the entire day, the Lord Justice Clerk summed up, remarking that the MR. ADDERLEY, M.P., ON THE BRITISH COLONIES.

Mr. Adderley, M.P., delivered a lecture on the "British Colonies," at the Adderley Park Institute and Museum, Saltley, on the 20th ult. The right hon. gentleman submitted that if the colonies remained as they were, they would not repay to us what they draw from us in the shape of taxatiou. Whilst we had permitted them to manage their own affairs ou the most liberal basis, and make their ewn laws, they had returned upon us the task of preserving.

GENERAL NEWS.

Gen. Charles P. Stone, in command of a division on the Upper Potomac, has been arrested and confined in Fort Lafayette as a traitor. The charges against him are four —misbehaviour at the battle of Ball's Bluff; corresponing with the enemy; and two charges of recent treachery.

A religious malady called the "jerks" prevails in some counties in Illinois. Young ladies have it, so do old men and youths also The attacks are like epileptic fits, but are supposed to have a divine and supernatural influence and evaporate in prayer. The select men are consternated and don't know what to do

Boston.-The cheering news of the past few days has given a stimulus to business, the effect of which we feel in our advertising columns.
