CIRCULATION 5,000 An Excellent Advertising Medium

The Toronto Evening Journal

IN August last the first number of the "TO-RONTO EVENING JOURNAL" made its appearance, and it has been published regularly each week from that time to the present. The Proprietor feels grateful for the liberal advertising patronage extended to the paper thus far. Arrangements are now being made to give additional interest to the paper, both for readers and Advertisers. Wholesale and Retail Merchants frequently purchase space in the "TORONTO EVENING JOURNAL" for the publication of their Circulars, and furnish the names of thousands of Farmers and others to whom the paper is delivered and mailed—in addition to the regular issues. For instance, the fellowing order just received from one Wholesale Firm in this City will explain the mainer in which extra editions of the paper are attended to: nded to :-

"We have this day bargained with Mr. A. H.
St. Germain to circulate five thousand copies of the
Toronto Evening Journal to parties named by us "ROBERT WALKER & SONS."

In this way the paper enjoys a large circulation, and has, consequently become a first class advertising medium. All advertisements ordered for the "Toronto Evening Journal" will receive one gratuitous insertion in the Toronto Weekly "Journal," a large first class paper established in 1857, and at present circulated in almost every part of Canada West.

The terms for advertising are less than has ever been offered to the public before, viz:—Three Cents per line for the first insertion, and One Cent per line for every subsequent insertion. Business and Professional Cards (without changes) will be
