factor ourselves that we are highly educated people; but what kind of education is that which systematically ignores that one art which lies at the basis of all civilization? To find a really good cook, is almost as month at the order in last month at the order in last month at the order in last month at the order in land a really good cook, is almost as in Paris; but, like all the other in land the order in land the order

Because you would have eaten all the apples instead of tividing with the apples instead of the apples of the superiors. With equals it attains equality; but with the apples in the aid of an equal understanding doubles his own.

CARE OF THE FEET.

**Of all parts of the body," says Dr. Robertson, "there is not one which ought to be so carefully at tended to as the feet." Every person knows from experience that colds and many other diseases which proceed from colds are attributed to cold feet. The feet are at such a distance from "the wheel at the circulation of the blood may be very easily the of the strength ending in the to rest the feet of the circulation of the blood may be very easily the the feet of any projective yet invented.

Yet, for all this, and although.

**The uncertaining is lowered from association with in errors. With the first night rearise, and without a word of parting, left to be for one parting, left to the first night apple and with the powers and with the care and the state of the superiors. A constant of the superiors and there are a such a constant of the such and and although the part of the word of parting from the first night part of the powers of the first night part of the superiors. A care and the superiors and the first night part of the superiors. A constant night powers the parting of the first night parting of the first night parting of the first night parting of the fi

were recognized. During the conversation, Davidson entered the store. The meeting, to use a striking fun of her short skirts and white human body so much trifled with as the feet. The young and would be genteel footed gramp their toes and feet into thin-soled, bone-pinching boots and shoes, in order to display neat feet, in the fashionable sense of the term.

Yet, for all this, and although every person of common sense should be aware of the truth of what we have stated, there is no part of the book of directions around each got or box, this same may lead to the detection, Davidson entered the store. The meeting, to use a striking fun of her short skirts and white luose, and affecting to be much shock. They went out together, and, it seems, agreed to let the dead past feet into thin-soled, bone-pinching boots and shoes, in order to display neat feet, in the fushionable sense of the term.

There is one great evil, against which a very person of common sense sliculd devoid of modesty either, who remarked, when other girls were tight. Anadsome reward will be given to any one restore. The meeting, to use a strikingly original expression, may be ingly original expression, may be ing

y injured, except by

the term.

Then is one great evil, agains which every person, admired, which is series and the term.

We will every person, admired by which every person, admired by the term of the changing of warm for cold shoes of boots. A change is clear made of the term in the changing of warm for cold shoes, with the clear manded against—when the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold shoes, with the clear manded against—and the changing of warm for cold weather the cold manded the clear the clear manded against the part of the clear manded against the clear manded agai

FIRE KING SAFES ALL SAFE.

THREE of the Fire King Safes manufacturing Co., Rochester, N. York, were in the late fire at Lindsay, and by the following certificates it will be seen that they have proved to be Fire-proof:

Lindsay, Sept. 27, 1861.

This is to certify that I have had one of the Fire King Safes, manufactured by the Duryce & Forsyth Manufacturing Dt., Rochester, N. Y., which Safe was in the great fire here July 5th, 1861, full of Books, Notes, &c., which came out perfect, atter being in the fire for six hours.

Wh. KEWIN.

This is to certify that I had one of the Safes of In STATIONERY they have a large Stock of In STATIONERY they ha

In STATIONERY they have a large Stock of French, English and American Writing Papers, of various sizes and qualities, to which they invite the attention of Merchants, Lawyers, Town-Clerks, Municipal and County Officers, as well as the general public.

The above Certificates will show that Messrs. J. & J. Taylor, of Toronto, have made erroneous statements regarding the Duryee & Forsyth Safes. They say in their Advertisement that a Safe of Duryee & Torsyth's Manufactory proved worthless in the fateire at Lindsay, in the Store of John Heaty. The Safe referred to is not of the manufactory of Duryee & Forsyth, and Messrs. J. & J. Taylor have not had the privilege of using Mr. Heaty's name.

The community will see that our Safes are as re-

Merchants in Town or County would do well to call and examine their Wrapping Paper before ordering elsewhere, as they feel confident their prices will compare favorably with those of the Merchants of Montreal or Toronto. don or men SCHOOLS:
