The New York Ledger. PROSPECTUS FOR 1893. Now is the Time to Subscribe! THE increase in the price of paper will make a difference of ten or twenty cents in the price of the paper, but the Ledger will continue to be four cents, and our circulation will remain as it always has been.

Holloway's Pills. The history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history of a single medicine, but of a series of medicines, which have been derived from the experience of one nation, but consists of a compilation of testimonials from the sick of every country.
