Beginning of a New Yolume

The Number for January 1863 begins the Eleventh Volume of the Atlantic Menthly

From the commencement, in 1852, the ATLANTIC has rapidly increased in circulation, and it me has the targest class of readers since its beginning, two years ago. Its prosperity steadily augmants, and it continues, amid all the ductuations, and dangers incident to our national crisis, to gain ground in the estimation of the public. At a time so pregnant with events which touch the fature destricts of America in every vital particular, the Publishers of America in every vital particular, the Publishers and Editors do not deem it necessary to promise that its pages will never swerve from the honest paths of loyal patriotism and universal freedom. Its opinions have always been on the side of Liberty, Progress, and Right, and the coarse it first adopted in its early career, will ever be faithfully maintained.

maintained.

THE STAFF OF WEITERS, regularly contribution to the "Atlantic Monthly," embraces all the best known as there in American literature, and warrants the Publishers in promising to its readers, THE BEST ESSAYS.

THE BEST STORIES.

Which American talent can furnish. The list of Contributors includes THE LEADING WRITERS OF AMERICA. The Leading whitens of AMERICA!
