Canada Wheat

WE take the following extract from the Monroe Democrat's report of the State Show of New York, recently held at Rochester:—

Accounts from Ireland

SEEING AN AVALANCHE PASS

Mr. Francis Galton, a well known English traveler and member of the "Alpine Club," has this summer made a singular experience. He discovered a spot on the Jungfrau range, where he might stand in safety and watch the avalanches sweeping past him, within thirty feet of his person.
