TO THE UNBIASSED AND CONSE-QUENTLY INDEPENDENT ELEC-TORS OF LINDSAY.

Gentlemen and Mer, - You are again called upon to elect your Chief Magistrate the May-or, and if you never before took the matter into serious consideration pray do so this time, and ask yourselves, like sober and thoughttime, and ask yourselves, like sover and inoughtful men—what qualifications are best for your mayor to possess? Will you not think with me he should have, Firstly, True independence, that if you fear he might be frail like other men he would be less tikely to yield to temp tation and peculate. Secondly, He should be owner of landed property in different parts of the town, that his interests may not predominate in one part very much more than in another. Thirdly, He should be able and anxious to make improvements on his own acanxious to make improvements on his own account as well as encourage the same in the corporation generally—he should be desirous of giving employment to residents rather than strangers—to the poorer tax-payers such as mechanics and labourers; and his antecedents such as to gladden their hearts on a Saturday night when they find they can take their earnings to their families. Fourthly, He should be a man whose residence is an honour to him and an ornament to the Town, and whose hospitality on all proper occasious would be unmitted you \$200 of that sum, and so there were \$200 still due.

Mr. Horkins thought that a man owing the town \$200 to run for mayor was rather too good a joke.

A vote of thanks to the Chairman for his conduct in presiding terminated the proceedings.

The announcement that a Ministerial dinner ras to be given in Ottawa took many persons by surprise; it being believed that the friends of the Cabinet in that city were too few to attempt such a demonstration. The effort was made, and as often happens in such cases, it has turned out a complete success. Ou correspondent telegraphs that it was the best political dinner he ever attended in Cana-

HOLLOWAY'S PILLS AND OINTMENT.-Serofula of "Holloway's Pills and Unitment" hashed upon the world. Diseases which baffle the skill of the Medical Schools, readily yield to these peerless remedies. Scurvy, Erysipelas, Saltrheum, Itch and all cutaneous eruptions are curable by them.

Among the most important of modern Medical discoveries stands the CANADIAN PAIN DESTROYER.

As a Family Medicine, it is well and favorably known, relieving thousands from pains in the Side, Back and Head, Coughs, Colds, Sore Throat, Sprains, Bruises, Cramps in the Stomach, Cholera Morbus, Dysentry, Bowel Complaints, Burns, Scalds, Frost-bites, & S. & C.

The Canadian Pain Destroyer has now been before the Public for a length of time, and wherever used is well liked, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction, where the Directions have been properly followed, but on the contrary all are delighted with its operations, and speak in the highest terms of its Virtues and Magical effects.

We speak from experience in this matter, having tested it thoroughly, and therefore those who are suffering from any of the complaints for which it is recommended may depend upon it being a Sovereign Remedy.

This writer will now say he has not exchanged half a dozen words with Mr. McDonnell for many weeks, and he has no expectations and its wonderful success in subduling the torturing pains of Rhenmatism, and in relieving Nervous Affections, entitle it to a high rank in the list of remedies for these complaints. Orders are coming in from Medicine Dealers, in all parts of the country for further supplies, and each testifying as to the universal satisfaction it gives.
