THE

British American:

A MONTHLY MAGAZINE DEVOTED TO LITERATURE, SCIENCE AND ART.

Notwithstanding the repeated attempts which have been made in Canada to establish a Monthly Magazine devoted to Literature and Science, it is nevertheless apparent, that success has not been the reward of those who have engaged in the undertaking.

The Canadian Institute at Toronto, the Natural History Society of Montreal, the Literary and Historical Society of Quebec, aided by the Government grants they enjoy, regularly publish their proceedings, and thus occupy, to a greater or less extent, the several fields which form the special objects of their incorporation. But the public at large are still unsupplied with a periodical Magazine devoted to general Literature of Canadian origin and growth, and to Science divested of unattractive technicalities and adapted to the requirements of those who do not profess familiarity with its sterner details.

It is the design of the originators of the British American Magazine to occupy this vacant field, and endeavor to satisfy a want which is so generally felt to exist.

Each monthly issue will contain one hundred and twelve pages, of the same size as the English Monthlies, which will form at the close of the year two volumes containing 672 pages each.

The publishers hope to be able to commence their issue in April next, and from the success which has already attended their efforts to procure subscribers, they anticipate that they will be able to present the British American Magazine to the public with a subscription list amounting to 10,000 copies for the first number.

Terms $3 per annum, payable in advance.

Holloway's Pills.

The history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history written by one man, or even derived from the experience of one nation, but consists of a compilation of testimonials from the sick of every country—a record, the like of which has never been adduced in favor of any discovery since time began.

BILIOUS DISORDERS.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless and irresistible curative.

Let the sick whom the faculty have abandoned, resort with confidence to this powerful antibilious agent, and a restoration to health and activity, will be the unvarying result.

DYSPEPSIA.

The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system

GENERAL DEBILITY & WEAKNESS

From whatever cause, LOWNESS OF SPIRITS and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this all-powerful antiseptic and detergent remedy.

SICKLY FEMALES

Should lose no time in trying a few doses of this regulating and renovating remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations; its effect is all but miraculous.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Headaches,
Bowel Complaints,	Indigestion,
Coughs,	Influenza,
Colds,	Inflammation,
Chest Diseases,	Inward Weakness,
Costiveness,	Liver Complaints,
Dyspepsia,	Lowness of Spirits,
Diarrhœa,	Piles,
Dropsy,	Stone and Gravel,
Debility,	Secondary Symptom
Fever and Ague,	Venereal Affections
Female Complaints,	Worms of all kinds.

☞ CAUTION!—None are genuine unless the words "*Holloway, New York and London*," are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same knowing them to be spurious.

Sold at the manufactory of Professor Holloway, 80, Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents and $1 each.

☞ There is considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of patients in every disorder are affixed to each box.

☞ Dealers in my well-known medicines can have Show-Cards, Circulars &c., sent them FREE OF EXPENSE, by addressing Thomas Holloway, 80 Maiden Lane, N. Y. 245
