The history of these great remedies is the most wonderful medical revelation that the world has ever known. It establishes the all important fact that wherever, and in whatever shape internal disease exists, the disinfecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

THE GREAT AMBASSADORS OF

HEALTH TO ALL MANKIND. This is not a history written by one man, or even derived from the experiences of one nation. It consists of a compilation of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favour of any discovery or invention since time began. These

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world; Holloway's Invaluable Pills have become the Household Remedy of all nations. Their attribute is to prevent as well as to come. become the Household Remedy of all nations. Their attribute is to prevent as well as to cure; they attack the radix or root of the complaint, and thus, by removing the hidden cause of disease, re-invigorate and restore the drooping energies of the system, assisting nature in her task of vital and functionary reformation.

DISORDERS OF THE STOMACH Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the chan-nels of circulation. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach idto a natural condition, and, acting through the secretive organs upon the blood itself, change the state of the system from sickness to health by exercising a simultaneous and wholesome effect upon all its parts and functions

At the two epochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a positive safeguard against evil consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

BE IT UNDERSTOOD. That the above statements can at all times be verified by the written testimony (extending through a quarter of a century) of tens of thou-sands of animpeachable witnesses.

Bilious remittents, bilious purging, and all the or-dinary disorders of the organ, indicated by pain in the right side and between the shoulders, yellowness of the whites of the eyes, weak-ness and debility, &c, are relieved and re-moved by the remedy, with a celerity which astonishes the sufferers and their friends. Let

the sick, whom the faculty have abandoned, resert with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result. DYSPEPSIA, DIARRHOA, WEAKNESS, &c The terrible bodily and mental panes which characterize Dyspepsia are at once mitigated by the Pills. Diarrhose, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, bemorrhoids or piles, and, in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordipary remedy. CERTIFICATE FROM L. J. RACINE, Esq. OF THE MINERVA.]

MONTREAL, L. C., Oct. 20, 1858 S. W. Fowle, & Co., Boston,-Gentlemen :- Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could not walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occaioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles, I was completely restored to health. I have also used the Balsam in my family and administered it to my children with the happiest resalts.

I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be ac-
