LECTURE. - The Rev. J. B. Muir will delever a lecture in St. Andrew's Church on Sabbath evening the 29th Jan., at half past six o'clock. Subject "THE ADVENT" or the " Millenium " A collection will be made in aid of St. Andrews Church.

Courtimentary Concret - Several of Mr. Peterson's friends learning that he was about to leave town, have determined to give him a benefit Concert, to take place in the new Town Hall. A number of talented gentlemen will take part in the entertrtainnent. Mr. Filer, Toronto, and Mr. Heathfield of Peterboro are expected. As Mr. Petersen was a h avy loser in getting up a Skating Rink for the amusement of the people of Lindsay, we trust they will give him a burnper house, next Tuesday evening. Tickets may be had at the principal stores in town, or from Mr. Petersen.

1 Mr. Youmans is succeeding much better than he at first onticipated with his singing classes. On Friday evening next, he gives one of his popular Juvenile Concents. The press of Montreal speaks most commendatory of his teaching and concerts. We have seen the programme which is really a novelty in itself. See advertisement.

ELECTION OF WARDEN.

Contrary to expectation the election of Warden passed over in remarkable quiet. The Reeve of Emily and the Reeve of Mariposa were not pitted against each other. On the Clerk calling the Council to order, Mr. Hodgson at once rose in his place and nominated his quandom opponent to the highest municipal office is the County, and it was manimously carried. The handsome manner in which Mr. Hodgson waived any claim he might have had to the Wardenship, in layor of Mr. Cottingham, has produced a most lavorable impression on the Council. 5 and has won for the Reeve of Mariposa colden opinions" from his colleagues; and will, we tenst, have a happy influence on the proceedings of the County Council

· Our Wheat Market.

If the farmers of the County do not receive a good price for their grain it is because the buyers cannot afford to pay higher, not because the competition is insufficient. The following gentlemen are now in the market: Mr. Robert Spier, who, during the past season erected a spacious Storehouse, of 40,000 bushels capacity, is in the market, and will no doubt do the best he can for those who may favor him with a call. Mr. George Smart is determined to keep up the prices as high as circumstances will permit; and having secured the services of Mr. Edward Veitch, a gentleman long and favourably known to the farming community, we have no doubt he will be able to buy a large quantity of grain. Mr. Smart Stores in "Allman's" Warehouse. Mr. Lovekin of Newcastle is also in the market, through his worthy agent Mr. Richard Leary. Messrs. Cluxton & Dundas are as usual prepared to purchase any quantity of good merchantabe wheat. Their Warehouse will hold about 30,000 bushels Mr. C. L.
