This paper is sent to business men through out Canada, being supported by advertisements. It contains much valuable information respecting the leading branches of business.

To WARM POTATOES .- Potatoes are best done in the tollowing way: Par-boil as many potatoes as may be needed; let them lie till next morning; then cut them in small squares; add to them cream or milk, enough to make them more than moist, with a little butter, and pepper and salt. Place on the fire, cover them, and stir gently at times.

INDIAN LOAF CAKE. - One pint of Indian-meal; 1 do. of flour; 1 do. sour milk; half tea-cup molasses :half cup shortening; a tablespoonful soda; a little salt. Put in a two-quart basin, set in a steamer over a kettle of boiling water; let it steam half an honr, take out, place in an oven, bake half or three quarters of an hour.
