PIT HOLE.

Ten Dollars for an interest in

on Pit Hole Creek, Complanter Township, Venango Gounty, Pennsylvania.

THE Subscriber offers for sale the following I valuable interests in the above celebrated territory, viz: the one-thirty-second (1-32) of the working interest in Lease No. 139, situated

on the Morey Farm. This well is already

400 Feet Down. and is only 14 rods distant from the now celebrated No. 19 Well on the Holmden Farm,

which well was lately on fire, and is

NOW FLOWING 300 bbls PER DAY

with the Sucker Rods still undrawn. The

opinion is general that so soon as these rods are drawn that this well will then be the largest in the world. In this event the interest now offered for sale will undoubtedly be worth ten times its cost. Also the 1-32 in Lease No. 132 on the same farm, within a few rods of the former lease. In this lease the 1-32 has been secured in Engine, Ropes, and other material, so that in case of working the well, assessments can only be made for the wages. Also, the 1-32 working interest in lease No. 3, Reynolds Farm. Well to be put down to the depth of 600 feet. This interest is within 80 rods of the famous United States Well, and its excellent situation is indicated by the fact that the large sum of \$2800 bonus was paid for the privilege of sinking a well. These three interests will be put up for the low price of \$1500, which sum will be raised by

150 Shares of \$10 Each.

If the above shares be not taken up in ten days from date the subscriber reserves to himself the right of r taining the interests in his own name, as he feels confident of being able to sell the first mentioned one at an advance of at least several hundred, within one week from that time. Operations for drilling are being commenced on the two latter interests, given by returning the broken one. and the Wells will be down in about ten weeks. The well on 139 will be down in about 21 days. ADVERTISING AGENCY, 389 Broadway, New Subscription book will be closed on 1st September, hence the necessity of subscribing early to save disappointment.
