Railway Extension.

MEETINGS AT CANNINGTON, BEAVERTON, WOOD-VILLE AND LINDSAY.

During the past week a large and respectable delegation from Port Hope visited the Townships of Mariposa, Brock, Fenelon and Eldon with the view of promoting the extension of the Port Hope and Lindsay Railway to Beaverton. The delegation consisted of Messrs. Fowler, J. Shuter Smith, M. P. P., Tate, Mayor Quinlan, and others. Frem letters received from the various localities we learn that the subject, as presented by the gentlemen from Port Hope, was well received by the people; and the almost unanimous feeling seemed to be that stock should be taken by the municipalities to aid in the extension of the road.
