Nothing can be more unjust in itself, and therefore nothing more to be deplored, than any attempt to fasten upon the frish Roman Catholics as a body, the whole and sole responsibility of Fenianism. Four sets of Facts will suffice to establish the total groundlessness of this grauntous assumption. First,—The chief Irish Roman Catholic Prelates such as Archbishops Cullen of Dublin, Connelly of Halifax, McClosky of New York, Kenrick of St. Louis and Bishop Farrel of Hamilton, &c., &c., have unreservedlin, Connelly of St. Louis and Bishop Farrel of Hamilton, &c., &c., have unreservedly and continuously condemned the Fenian
movement. Second,—Not one trish Roman
Catholic layman's name of respectability in
Ireland or America, has vet been identified
with Fenianism. Third,—Head Centre
Stephens, and his friend Mr. Clarge Luby,
are neither of them Catholics; John Mitchell
the Paris agent of the Brotherhood, is
the son of an Unitarian minister; Gen.
Sweeney is, what they call in the United
States, an Episcopalian; and President
Roberts belongs to a dissenting denomination. Fourth,—The officers engaged in organizing the Roberts-Sweeney expedition
at least, like 'Col. Tresham' and 'Johnson
the Jayhawker,' will be found to consist of
a miscellaneous muster of European infidels a miscellaneous muster of European infidels and Yankee sympathizers. The rank and file may be degenerate and excommunicated Irish Catholics, but 'the wire pullers,' and the men who profit by the credulity of their dupes, do not even nominally belong to the Church of Rome.

These remarks are made in simple justice to a numerous portion of our own population whom it would be cruelly unjust to hold responsible as a body, for the acts of their abused and misled co-religionists in the United States.

THE LATEST.

By Galvanic Telegraph from Kickapoo.

General Sweeney arrived yesterday at Salt Lake City and was closeted six hours with Brigham Young. It is understood that negotiations have been opened for the settlement of one thousand Fenians in the Mortiement. mon Territory to become the ancestors of the future Ifish Republic on the Continent of America. He was received on his entrance to the city by a Guard of Honour of the Royal Patagonians who came by the wires, at two o'clock p. m., from their native country. Great enthusiasm prevailed among the women of Salt Lake City on the occasion.

Two hundred and sixty able-bodied females offered themselves to the General as wives. The General was overpowered with the ovation, and through an interpreter made a suitable response in the Irish language. He was understood to say, that, as an Irishman he felt bound to agree to anything that would please the ladies. At this stage of the proceedings a deputation from the King of Conco arrived by the N. N. E. South Western Telegraph, offering ten thousand elephants and three hundred and sixty thousand South African Lions to the cause. An autograph letter was then read from the Chief of the Sacs and Foxes, assuring the General of the of warriors in their war paint.

visited this neighborhood on l Tuesday night. We have seldom even in the summer witnessed a grander exhibiney of a building attached to the residence of Alexander Millar, Esq., of this town, and completely demolished it. We understand that a stack of hay in the vicinity of Linwood was also struck by the fiery element and consumed. We have heard of no other damage from the storm in this sention. In the neighborhood of Guelph, as we learn from the Advertiser, Mr. John Rafferty's tavern in that township was struck by lightning and the gable end knocked in. The chimney fell upon Mr. and Mrs. Rafferty while in bed, and they both received considerable injury. One of the children was also hurt, though not seriously. The fiery element descended to the cellar, demolishing everything in its course, and passed out of the door below.—Berlin Telegraph.

VERY NATURAL .- When a person has proved an article and found it good, and answering the purpose for which it is intended he will not readily abandon it for one of doubtful reputation, or concerning which he knows nothing. We are led to make these remarks owing to the course always pursued by those who have used that celebrated and truly valuable horse-medicine known as "Darley's Arabian Heave Remedy;"—all are so well pleased with it that they will not use any other; many have waited several weeks until the agent could obtain a new supply. There is nothing equal to it as a condition Medicine, or for any complaint affecting the wind of horses. Remember the name, and see that the

Is health worth having? If it is, protect it-it is a jewel as easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs, spitting of blood and pulmonary complaints generally, which if not checked immediately, lead to serious consequences. The question arises-which is the quickest and most effectual remedy? Bryan's Pulmonic Wafers have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cares when taken in season. Sold by all medicine dealers and country stores generally throughout the Province, at 25 cts. per

STORM AFTER STORM .- The month of March never maintained its boisterous character more effectually than it has done this winter. We have had an almost uninterrupted blow since it commenced, and to day we have a snow-storm to cap the climax. What with social and elemental the undersigned Assignee, and they are required storms, the month of March, 1866, will be to furnish me, within two months from this date, long remembered by us Canadians. Let us hope that very soon these angry clouds will be all dispersed, to be succeeded by a calm be all dispersed, to be succeeded by a calm stating the fact; the whole attested under oath, all the more agreeable by contrast with the rough experiences which preceded it.

Lor's WIFE FOUND.—Lieutenant Lynch in his voyage to the Dead Sea found a huge pillar of Salt on the shore, and the Arabs informed him that it was Lot's Wife; for our part we are much inclined to doubt it, though we have no hesitation in saying that the best thing to cure colds, sore throat, rheumatism, neuralgia, bowel complaints, &c., is the "Canadian Pain Destroyer," to be had of all Medicine Dealers for 25 cts per bottle.
